

# Important Neighborhood Meeting:

May 9<sup>th</sup>: 10 am-12pm

## South Berkeley Community Church

(Corner of Ellis and Fairview)

**Join with your neighbors to discuss and help shape our community values and to have a voice in creating an inclusive, fair and just proposal for the Adeline Corridor Plan.**

Your presence is welcome and vital for creating a coalition of empowered residents . In April, over 70 South Berkeley residents came together in our first community-led meeting, and spoke to the need for equitable growth and the preservation of community through:

- ✓ Affordable housing, including low-income housing
- ✓ Retaining racial and income diversity
- ✓ Good jobs for local residents
- ✓ Building community power
- ✓ Transparency and accountability from the city
- ✓ Community safety through street improvements
- ✓ The health and wellness of residents
- ✓ Support of neighborhood social services and our local artists
- ✓ Honoring our elders and youth, especially Black leaders and institutions

We are NOT affiliated with the City of Berkeley. We are neighbors who care about each other and want to shape the future of our area plan. All are welcome!
