

Attention West Campus Neighbors

Join Superintendent Donald Evans and Board President Judy Appel

for a

Meeting to Discuss Proposed Three Month Pilot to conduct City Council Meetings at the BUSD Board Room

At the Berkeley City Council's June 23rd, 2015 meeting, the Council approved a three month pilot to conduct City Council meetings at the BUSD Board Room at the West Campus. Before the City and the School District move forward, we want to be sure to solicit input from the community.

Please join Superintendent Donald Evans and Board President Judy Appel, along with Councilmembers Darryl Moore and Linda Maio to pose any questions, voice concerns, or provide suggestions for this three month pilot.

Based on the results of the pilot, the City and School District will evaluate how to proceed. On August 26, 2015, the BUSD Board of Education approved moving ahead with this public process, but will not discuss approval of the pilot until this part of the process is completed.
