

# ACTION PLAN MEETING

SATURDAY, APRIL 2ND

12 noon, ADULT SCHOOL  
Multipurpose Room

with Councilmember Linda Maio

The third shooting in just a few years at San Pablo and Delaware is a third too many.

It is time for more concerted action.

Please join us to discuss and develop an **ACTION PLAN** to improve safety in the area.

Some Suggestions Include:

- \* ensure cameras at Bing's Liquor are optimized
- \* require cameras at Popeyes
- \* deter crime by design improvements at certain properties
- \* remove the bench on San Pablo
- \* employ a security guard

*Feedback, ideas, comments are welcome and needed.*

You can help get the word out by using email groups and talking to interested parties.

**Neighbors, businesses, property owners: Everyone is welcome.**
