

Application for New Street Light

Submit completed application to Public Works
publicworks@cityofberkeley.info

Note: To apply for a street light you must be a current resident of Berkeley

Applicant Information

Full name _____
 Street address _____
 Phone: _____
 Email: _____

Proposed Streetlight

Proposed location of street light (street address) _____

Is there an existing utility pole near desired light with no current light? Yes _____ No _____

Are existing lights obstructed by trees?:? Yes _____ No _____

Neighbor Approval

1. Submit a sketch map showing the proposed location of the light and the names and addresses of all adjacent neighbors, such as the example to the right.
2. Provide a letter signed by each adjacent neighbor indicating approval of the proposed light (scanned copies are acceptable). Note; in multi-family units, 60% of tenants must approve.

Submittal and Approval Process

Submit completed application to Public Works at publicworks@cityofberkeley.info

Rationale for approval will be based on:

- Current available lighting (measured in lumens, done by Public Works staff)
- Proximity to BART, other public transit, schools, and hospitals
- Crime statistics and other safety concerns
- Pedestrian traffic
- Bikeways
- Current zoning

If you have additional comments related to the rationale in your case, please add them as a separate sheet and attach to this form.

Application approval typically takes about one month.
