RE: Request for Records (2019-005)

Dear Ms. Raguso:

I am writing in response to your January 31, 2019 email requesting the following information from the Superior Court of California, County of Alameda ("Court"):

1. *The total cost in public document fees brought in from DomainWeb, the electronic Alameda County Superior Court records system, broken down annually over the past five years (2014 through 2018).*
2. *The operating costs for that system annually over that same time period.*

Please be advised that state courts are exempt from the Public Records Act (Government Code § 6252(f)). However, we have construed your inquiry as a request for judicial administrative records under California Rules of Court, rule 10.500 et seq. In accordance with these rules, we have searched the Court's judicial administrative records and have determined the following:

- The Court has responsive records for item 1 for the past five full fiscal years (July 1 through June 30).
 - FY 2013/14: \$69,278.11
 - FY 2014/15: \$403,564.25
 - FY 2015/16: \$487,966.50
 - FY 2016/17: \$527,556.50
 - FY 2017/18: \$437,655.50
- The Court is not aware of any responsive records for item 2 but needs more time to determine whether any records exist. We will make that determination and provide records, if any exist, on or before Monday March 11, 2019.

Please email pubaccessrequest@alameda.courts.ca.gov if you have any questions regarding this matter.

Sincerely,

Adam Byer
