

## Action Calendar – Policy Committee Track Items

**22. Referral to City Manager to Re-imagine Policing Approaches to Public Safety Using a Process of Robust Community Engagement, to Develop a Path Forward to Transforming Public Safety and Policing in Berkeley**

**From: Councilmember Wengraf (Author), Councilmember Davila (Co-Sponsor)**

**Recommendation:** We must have our communities of color, particularly our African American community, at the forefront of conversations to re-imagine approaches to policing and public safety in Berkeley. The people most disparately impacted must have a vital role in the creation of new ways to enhance accountability, compassion and transparency as we move forward to address racial inequities and disparate outcomes of policing in Berkeley.

This item is an urgent referral to the City Manager to act quickly and thoughtfully in creating substantial community engagement to develop a new model for policing in Berkeley, to address racial inequities, ensure community health and safety needs are met, and to build trust within our communities of color.

This work should begin with public, transparent community forums to listen, learn and receive people’s ideas about how policing should be re-imagined and transformed so that communities of color can be safer within their neighborhoods, the City of Berkeley, and trust in the Berkeley Police Department can begin to be rebuilt. The City Manager will send a list of recommendations to the full Council for review and public input.

**Financial Implications:** Staff time
