

ALAMEDA COUNTY COVID-19 HEALTH EMERGENCY

COUNTY OF ALAMEDA ★ CALIFORNIA

Office of Emergency Services
4985 Broder Blvd, Dublin, CA 94568

Alameda County Health Care Services Agency

- Movie theaters
- Wineries
- Bars, breweries, and distilleries
- Family entertainment centers
- Cardrooms and satellite wagering
- Limited services not included in critical infrastructure
- Amusement parks

The following sectors would need to implement additional modifications and ensure 100 percent masking and physical distancing:

Temporary restrictions

- **Outdoor recreational facilities:** permitted only without any food, drink, or alcohol sales. Overnight stays at campgrounds prohibited.
- **Retail and shopping centers:** indoor operations permitted at 20% capacity with entrance metering and no eating or drinking in the stores. Special hours should be instituted for seniors and others with chronic conditions or compromised immune systems.
- **Hotels and lodging:** open for critical infrastructure support only.
- **Offices:** remote only, except for critical infrastructure sectors where remote working is not possible
- **Places of worship and political expression:** Outdoor services permitted
- **Entertainment production including professional sports:** operation permitted without live audiences.

The following sectors would remain open when a remote option is not possible with appropriate COVID-19 preventative measures including ensuring 100 percent masking and physical distancing:

Permitted to continue operating under Regional Stay-At-Home-Order

- Critical infrastructure, as defined by the State
- Schools that are already open for in-person learning
- Non-urgent medical and dental care
- Childcare and pre-K

Alameda County will not be accepting elementary (TK-6) school waivers at this time. The State recommends against school waivers in counties with case rates greater than 200 per 100,000 over 2 weeks - or approximately 14 per 100,000 per day. Alameda County is currently above 16.

As Governor Gavin Newsom noted in today's remarks, new restrictions would be temporary. Vaccine availability is not far away. We can get through this together and by everyone doing our part. We remind Alameda County residents that it is **more urgent than ever before** to stay home as much as possible, wear a mask whenever you leave home, keep at least 6 feet of distance from anyone you don't live with, wash your hands frequently, and avoid gathering with other households and traveling.
